STAT

SUBJECT: Speaker at the SHARE Conference

1. I request permission to appear before a non-government group as provided for in

STAT

2. When approved, I will speak at the SHARE 68 Conference in San Francisco, California, during the week of 2 March 1987. I will be attending the conference as a representative of the Agency. The audience is expected to be comprised of up to 30 persons from the United States and Canada representing organizations running large IBM computers. The meeting will be held in the Cathedral Hill Hotel; the risk to employee safety is minimal. Members of the press are barred from attending sessions at the conference.

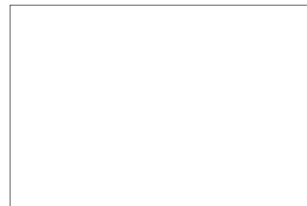

3. None of my remarks will be classified or controversial. I will speak at the following session:

Experiences in Installing and Customizing MXG. The talk will explain how we are implementing, testing, and using the MXG purchased software product to reduce and analyze performance data.

4. Copies of vugraphs for this session are attached.

5. By sharing our experiences in using software tools, we expand the knowledge available to software vendors and to other users, as well as obtaining suggestions for overcoming obstacles.
